DUAL CORE INTERCOM SYSTEM: IT DOUBLES THE CONNECTIONS!

CONFERENCE UP TO 8 PEOPLE (4 BIKES): ONE-TO-ONE 6 PEOPLE

BT Next Pro is the most advanced solution on the market for those who want the most highly-performing intercom for conversations on a bike: Bluetooth 4.2 Dual Core technology puts into communication up to 4 bikes, each one with driver and passenger. With a one-to-one intercom system you can talk with up to 6 people. All this in Full Duplex mode, with digital quality, DSP noise suppression system and AGC system (that can be disabled) to control volume automatically according to background noise.

RANGE: UP TO 1.6 KM*

The range of BT Next, without any aid (app or other) up to 1.6 km*

FUNCTION TALK 2 ALL UNIVERSAL INTERCOM

Midland intercoms have two connections allowing it to be used with devices of other brands.

AND STILL ...
